A MILLION DREAMS ARE KEEPING ME AWAKE...

NEWS OF THE MONTH: A SEASON OF LEARNING

We've officially completed our first semester of learning for the 2018/2019 academic year. It has been a semester of triumphs, inquiry-based exploration, and personal growth, and it will serve as the launching pad for an upcoming year of progress and achieving new goals.

THE EIS WINTER CONCERT

Our annual Winter Concert allowed all of our children a chance to present their learning experiences from the past semester. The event, in keeping with its themes of shared humanity and our role as dreamers, managed to bring out the collaborative, risk-taking spirit present throughout our student body.

GRADE 4 WINTER PARTY

On December 14, our Grade 4 students hosted an idea of their own design: a winter party for both primary school and middle school students! Games such as present-stacking, candy cane limbo, and pin the tail on the reindeer were presented alongside homemade cookies and a holiday-themed photo booth.

EVENT SPOTLIGHT

Over the course of the month, several community-building events have taken place, including a teacher-student football match, a We Show assembly featuring the presentation of students' What is Love? Project, and a student voting initiative to decide on a June 2019 cultural awareness project, including a foreign travel portion. Our students have voted to travel to China, and we encourage parent input on this decision.

GRADE 1 PARENT-TEACHER MEETINGS

The launch of a series of workshops related to our curriculum and learning approaches will feature a spotlight on the content in our Grade 1 classes.

The meeting for Sirius parents is scheduled for Monday, January 14 at 16:30. The meeting for Vega parents will occur on Wednesday, January 16 at 16:30.

CAT HOUSE PROJECT—COMPLETED!

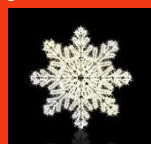

After months of collaboration, presentations, and painting, our Grade 7 students have finished their life-sized cat houses. These houses, which were designed in conjunction with Cat Care Riga, a nonprofit organization dedicated to aiding stray cats in the city. Thanks to their efforts, our four-legged friends will stay warm and dry through the winter!
